

COVID Response Plan

The School COVID-19 RESPONSE PLAN (SCRP) has three essential elements that combine to protect the health and welfare of our children and staff: Prevention, Monitoring, and Managing.

Prevention:

- The health and safety of all our staff, the children, and parents is paramount to us.
- Group sizes will be in compliance with Palm Beach County and the State of Florida Guidelines
- Parents/Caregivers will not be permitted to enter campus at any time and must use carpool only no exceptions.
- Parents/Caregivers must wear a mask while in carpool.
- All staff and children will be required to wear masks during the entire program. All children and staff will be required to wash their hands frequently. Soap will be provided.
- Children will not share any personal items, etc.
- No personal items from home can be brought onto campus.
- In keeping with the guidelines of no adults on campus, no guest access is permitted for personal visitors until further notice.

Monitoring

- Staff & children will have their temperatures taken in their vehicle before being allowed to enter the building. Staff & children with temperatures of 100 degrees F or above will not be allowed to enter the building.
- Staff & children will be monitored for any COVID Symptoms. Please click on the addendum for details of COVID symptoms ([addendum](#)). If a case of COVID-19 is identified on campus – as unlikely as that is - below is a series of protocols to address that case and ensure that any virus is contained.

Managing

- Staff will watch for symptoms of disease throughout the day and any child with 100 degrees F or more will be isolated in a chaperoned room until s/he is picked up by a parent or caregiver on their emergency list. A disposable mask will be placed on the child while in the isolation room. When the parent or caregiver arrives on campus, the child will be escorted out to their car.
- If a child or staff is diagnosed with COVID-19, the entire group will be notified and will not be allowed back on campus until further notice.
