

Mecca Lyons Road Farm

The field is on Lyons Road between Boynton Beach Blvd. and Atlantic Avenue. It is located directly across the road from the Canyon Springs housing location. There is no GPS address for this field.

1. From I-95 exit on Boynton Beach Blvd. Proceed west. You will pass the turnpike interchange. The first light you come to past the turnpike interchange is Acme Dairy, the second light will be at Lyons Road turn left (south) onto Lyons.
2. Once on Lyons you will travel 1.8 miles to the field. You will go through a traffic light at Lake Royal. You will pass a sign for the AG Reserve and then you will see fields on your right. Look for gleaning sign on your right and park on the side of the road.
3. **It is very important that you do not enter the field in your cars.** The sand is very soft and you will get stuck. There is plenty of room on the side of the road for you to park in the grass.

If you have difficulties, please call Keith at 561-236-8176.

Please do not forget to have the gleaning and assumption of risk forms completed for each volunteer and bring them to the field with you.

Thank you & please drive safely!
